

Affordable A3 copier—
Your desktop copying workhorse
with networking

HP LaserJet MFP M436 series

Set the pace with
affordable A3 productivity

Performance
without compromise

Remotely monitor
and share resources

Maximise
value.
Minimise
budget.

Turn business potential into reality with this reliable, affordable A3 MFP. Boost productivity with quick and easy copying and printing—up to 23 pages per minute (ppm).¹ Simplify workflows with efficient scan and copy solutions, and get built-in networking. Designed for work teams of up to 10 people printing up to 3,000 pages per month.

Save time and resources

Capture both sides of the page with two-sided scanning, using the 100-sheet reversing automatic document feeder (ADF),² standard on the MFP M436nda model.

Conserve your budget

Get high-quality pages with affordable running costs, using Original HP toner cartridges and long-life drums.

Extend your printing reach

Easily set up, print, and share printing resources with built-in Ethernet networking. Optimise your print environment with HP Web Jetadmin remote discovery and monitoring.³

Set the pace with affordable A3 productivity

Keep business moving

Put affordable MFP performance to work for your business with A3 printing and copying at up to 23 ppm.¹

23 ppm

Save time and paper

Increase productivity with automatic two-sided printing and copying (M436nda).⁴ Consume up to 50% less paper by printing on both sides of the page.

Scan both sides easily

Capture both sides of the page with ease. The 100-sheet reversing ADF² delivers no-hassle two-sided scanning to efficiently convert stacks of paper to digital content.

Scan directly to your PC

Send scans to your PC, right from the MFP. Capture and send for simple filing and sharing.

Launch tasks at the device

Select from four quick-launch buttons that enable you to streamline copying, quickly capture a two-sided ID on one page, enlarge or reduce images, and adjust darkness.

Quick-set button for ID copy

Quickly copy a two-sided identification card onto one page—directly from the control panel. Capture the front and back on a single side and at the correct orientation.

Expand your capacity

Meet high-volume demands—this MFP has an optional maximum paper capacity of up to 600 sheets.⁵

Let large jobs handle themselves

Print up to 600 sheets without reloading paper with the optional 250-sheet paper tray.⁵

Get great value without compromise

Affordable purchase price

Put affordable MFP performance to work and get exceptional value. An attractive purchase price means less impact on your budget—and a better value.

Low running costs

Get high-quality pages with affordable running costs, using Original HP toner cartridges and long-life drums. Print more pages with fewer interruptions, using high-yield cartridges—up to 11,400 pages (ISO).⁶

Help protect your investment

Original HP toner cartridges are specially designed and precisely engineered for this HP MFP—so you can count on fast, consistent results.

- HP 56A standard cartridge yield: up to 6,600 pages (ISO)⁶
- HP 56X high-capacity cartridge yield: up to 11,400 pages (ISO)⁶

Optimise your printing environment

Gain connections for the modern workstyle, and remotely monitor your environment. Quickly share resources with built-in 10/100 Ethernet. Gain fresh insight into your environment with remote discovery and monitoring.³

Easily share resources

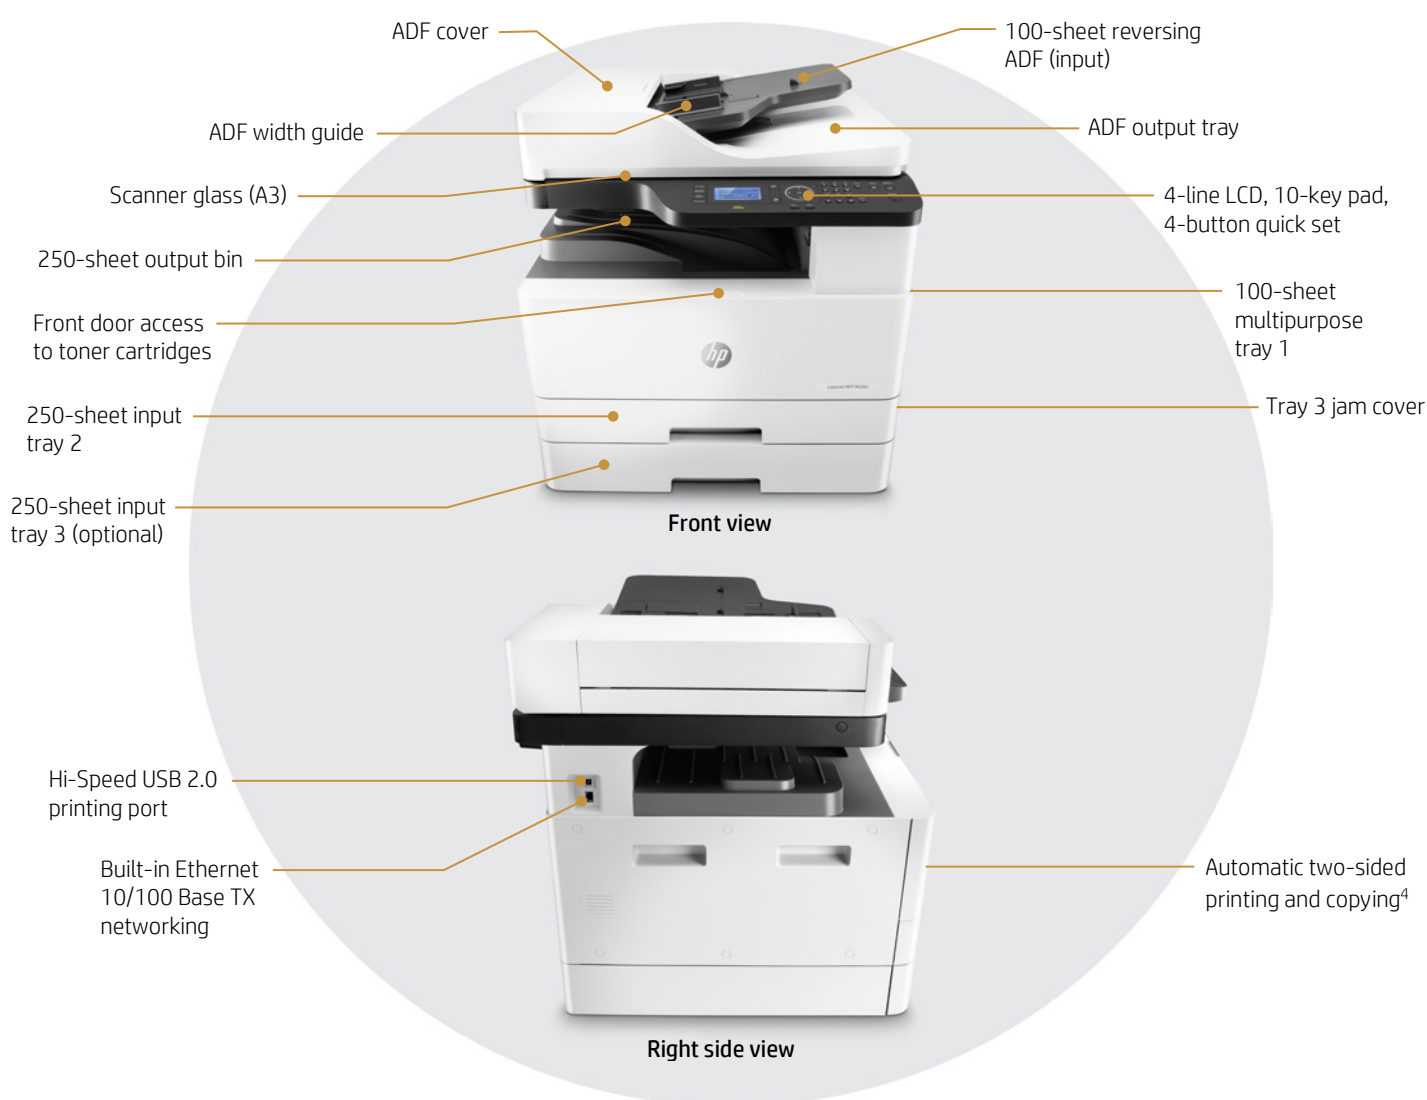

Stay connected with built-in 10/100 Ethernet that lets you share printing resources on a network.

Manage your printing

Easily integrate devices and gain fresh insight into your printing. HP Web Jetadmin remote discovery and monitoring features make it easy to onboard and monitor this device.³

¹ Measured using ISO/IEC 24734 and excludes the first set of test documents. For more information, see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.

² Reversing automatic document feeder is standard on the HP LaserJet MFP M436nda only. Requires a separate purchase for the HP LaserJet MFP M436n.

³ Not all HP Web Jetadmin features are supported on the HP LaserJet MFP M436. HP Web Jetadmin is available for download at no additional charge at hp.com/go/wja.

⁴ Automatic two-sided printing is standard on the HP LaserJet MFP M436nda only.

⁵ Purchase of optional paper tray required to reach maximum input capacity.

⁶ Toner cartridge yields established using ISO/IEC 19752 test standards. Actual yields and costs vary considerably depending on images printed, number of colour pages printed, and other factors.

⁷ Measured using ISO/IEC 17629. Exact speed for first page out varies depending on the system configuration, software application, driver, and document complexity. Learn more at hp.com/go/printerclaims.

⁸ Scan speeds measured from ADF. Actual processing speeds may vary depending on scan resolution, network conditions, computer performance, and application software.

⁹ First copy out and copy speed measured using ISO/IEC 29183, excludes first set of test documents. For more information, see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.

¹⁰ HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.

¹¹ Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups.

¹² Power requirements are based on the country/region where the scanner is sold. Do not convert operating voltages. This will damage the device and void the product warranty.

¹³ Service levels and response times may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit hp.com/go/cpc.
